GIFT IN WILL

A Gift in Will, also known as a bequest or legacy, is one of the most powerful ways an individual can help Life Without Barriers to continue its vital work for years to come.

Life Without Barriers believes every person has the right to reach their potential. That's why we champion opportunities for all. We are a leading social purpose organisation working in more than 500 communities across Australia. Our services currently support just over 23,000 people.

We support children, young people and families, people with disability, refugees and asylum seekers, older people, and people living with mental illness.

Every gift, no matter how large or small, has impact. Each plays a role in our vital work.
