We really care for you and every person we support.

This includes

- ✓ Children, young people and their families
- ✓ People with disability
- ✓ Older people
- ✓ People with mental health issues
- ✓ People who are needing help when they come from another country

It is important that we always give you the support you deserve.

We promise to do things so you can feel safe when we help you.

Our plan for the future

We are always looking for new ways to make our services better for you.

To help our services get better, we are making a special plan.

This plan will help us do the most important things that help you and other people over the next 5 years.

This kind of plan is called a **strategy**.

It sounds like st-ra-tar-gee.

We have named this plan **Strategy 2025**.

This plan explains:

- ✓ things we want to change

- ✓ things we want to try

- ✓ goals for the future

- ✓ how we will achieve them

Our goals

There are lots of things we want to do over the next few years to make our services better.

This includes:

- ✓ Give you support that is even better than you expect

- ✓ Help you with choices so you are always in charge of your support

- ✓ Build stronger relationships with you, your family and supporters and the people who support you

- ✓ Talk more with Governments to make changes to rules that are good for you and other people in the community

- ✓ Try new technology to give better and safer support

- ✓ Look after the environment more to help keep the planet healthy.

- ✓ Do good things that help lots of people with disability in the future

What this means for you

Our plan means you can expect good changes to your support over the next few years.

Even though we try our best for you now, we will keep trying very hard to always help you the way you want us to.

We will also help people with disability to get work if they want to.

We will help people with disability have homes they like, where they like and to live with people they like.

This means helping you to have more choices about where you live and who you live with.

If you have any questions, talk to your support network.
