### How to use this book

This book is by Life Without Barriers.

It is in Easy English.

We use pictures to help people know what it is about.

Some words are in **blue** and we will tell you what the words mean.

This book says what Life Without Barriers promises to do to make sure we buy things and services that is fair for all people.

## Who we are

Life Without Barriers supports lots of people to live life the way they want to.

We are trusted and chosen by people all over Australia to give them support.

We have been supporting people for a really long time, almost 30 years.

We really care for every person we support.

This includes

- Children, young people and their families
- People with disability
- Older people
- People with mental health issues
- People who are needing help when they come from another country

Every person we support and work with should always feel safe and respected.

## Modern slavery

It is important that every person we work with has their **human rights** respected.

Human rights are things that every person is allowed to have and should expect.

Human rights are rules that say everyone must be safe and treated with respect.

Sometimes people are made to work in a way that is unfair, unsafe or hurts them.

This is called **modern slavery**.

Their human rights are not being upheld.

Life Without Barriers wants to stop modern slavery. We believe it is unfair and bad.

We say every person should always be safe and respected.

Life Without Barriers wants to help protect people from modern slavery.

This includes

- People we support
- Staff we work with
- People we buy things from

## What we will do

There are important rules that people across the world should follow to help stop modern slavery.

These rules are called the **Modern Slavery Act 2018**.

Life Without Barriers follows these rules.

Life Without Barriers has made a special book that says how we follow these rules to help stop modern slavery.

It is our **Modern Slavery Statement**.

We help by being very careful about where we buy things and how they are made.

We check nobody does work that is unfair or unsafe to make something we use.

This includes

- Cars

- Computers

- Power

- Groceries

- Personal Protective Equipment like masks and gloves

- People who deliver our services, like nurses and support workers

People and organisations we buy these things from are called **suppliers**.

We work closely with suppliers and talk lots to make sure they are following the same rules to stop modern slavery.

We will be honest and open about where we buy things from and how we are checking it is safe.

If you have any questions, please talk to your **support network**.

We call people you trust like friends or family your support network.
