

What is ARYA House?

ARYA House is a safe environment that provides overnight accommodation for up to six young people between the ages of 14 and 17 years, this includes two nutritious meals per day, snacks, and laundry services.

At least two full-time, skilled staff per shift operate the service between the hours of 5pm and 10am daily.

**LIFE
WITHOUT
BARRIERS**

Partnering with people to change lives
for the better

We're for a way forward

The aim of the ARYA service is to provide safe accommodation on a temporary basis where there are no other appropriate accommodation options, and/or where young people are struggling to engage with other existing services.

Life Without Barriers is contracted by the Department of Communities, Child Protection and Family Support Division to provide the At Risk Youth Accommodation service in WA's metro area for young people aged 14 to 17 years in the CEO's care and 15 to 17 year olds who are not in the CEO's care who require this service.

ARYA services

The ARYA program provides:

- Emergency overnight accommodation when no alternative suitable accommodation is available
- A nutritious breakfast and evening meal
- The opportunity and means to maintain high standards of personal hygiene and care
- Passes to use public transport as required.

As part of these services at ARYA House, the young person is offered:

- Hygiene amenities, such as a towel, access to a shower, a toothbrush and toothpaste
- A laundry service to ensure they have access to clean clothing the following day
- A hot meal and access to snacks
- Breakfast or the option of a packed breakfast

- The opportunity to contact their case manager, and
- Access to resources and service information to contact other service providers if required.

Young residents are woken at 8am and asked to prepare themselves for the day. On leaving the house a 24-hour bus pass is provided.

Access and opening hours

ARYA House accepts admissions after 5pm daily, with residents required to leave by 10am the next morning.

Referrals must come from the CPFS Child and Carer Connection Hub during office hours to review placement details. After-hours referrals are handled through Crisis Care.

On arrival, staff conduct a house induction, explaining the rules and expectations to ensure a safe environment for everyone.
